NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Disk Light

Item Number: 1001

Product Features

This USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
10*10*8	IP65	18650x2	Not have
Lighting duration	Lighting angle	Lighting area	Power
8-12hours	360°	20square	20W

Carton packaging size/cm	Carton weight/kg
54*43*42.5	21kg/100pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Disk Light

Item Number: 1002

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
13*13*7.5	IP65	18650x2	Ø80mm
Lighting duration	Lighting angle	Lighting area	Power
8-12hours	360°	35square	35W

Carton packaging size/cm	Carton weight/kg
55*42*40	16.5kg/60pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Disk Light

Item Number: 1003

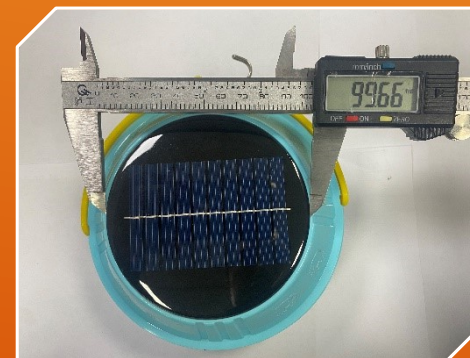

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
15*15*8	IP65	18650x3	Ø100mm
Lighting duration	Lighting angle	Lighting area	Power
8-12hours	360°	50square	50W

Carton packaging size/cm	Carton weight/kg
63*32*42	15.5kg/40pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Light

Item Number: 1004

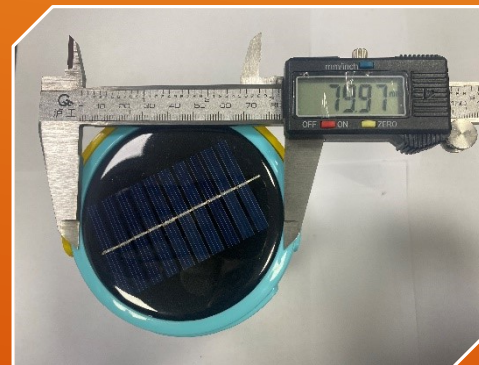

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
10.5*10.5*12.5	IP65	18650x1	Ø80mm
Lighting duration	Lighting angle	Lighting area	Power
8-12hours	360°	20square	20W

Carton packaging size/cm	Carton weight/kg
55.5*55.5*52.5	20.8kg/100pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Light

Item Number: 1006

Product Features

This USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
8*8*15.5	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 -12hours	360°	10square	10W

Carton packaging size/cm	Carton weight/kg
41.5*41.5*64.5	100pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Light

Item Number: 1007

Product Features

This USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
9.5*9.5*17.5	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 -12hours	360°	20square	20W

Carton packaging size/cm	Carton weight/kg
71.5*48*40.5	80pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Light

Item Number: 1008

Product Features

This USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
10.8*10.8*18.6	IP65	18650x2	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 -12hours	360°	30square	30W

Carton packaging size/cm	Carton weight/kg
57*54.5*44.5	60pcs

NEW POWER[®] PRODUCT

Product Name: Rechargeable LED Light

Item Number: 1009

Product Features

This USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
12*112*20.8	IP65	18650x3	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 -12hours	360°	50square	50W

Carton packaging size/cm	Carton weight/kg
61.5*61.5*43	50pcs

NEW POWER[®] PRODUCT

Product Name: Self-Charging Emergency Bulb

Item Number: 2017

Product Features

This rechargeable Self-Charging Emergency Bulb is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *Direct AC charging *
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
77*77*156	IP34	18650x2	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 -12hours	360°	20square	20W

Carton packaging size/cm	Carton weight/kg
41*41*63.5	100pcs

NEW POWER[®] PRODUCT

Product Name: Solar Rechargeable LED Light

Item Number: C125

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
13*5.5*13	IP65	18650x2	Ø64mm
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	360°	20square	18w

Carton packaging size/cm	Carton weight/kg
66.5*30.5*28	24kg/50pcs

NEW POWER[®] PRODUCT

Product Name: Solar Rechargeable LED Light

Item Number: C150

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
15.5*6.0*15.5	IP65	18650x3	Ø64mm
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	360°	30square	20W

Carton packaging size/cm	Carton weight/kg
61.5*33.5*33	22kg/40pcs

NEW POWER[®] PRODUCT

Product Name: Solar Rechargeable LED Light

Item Number: D150

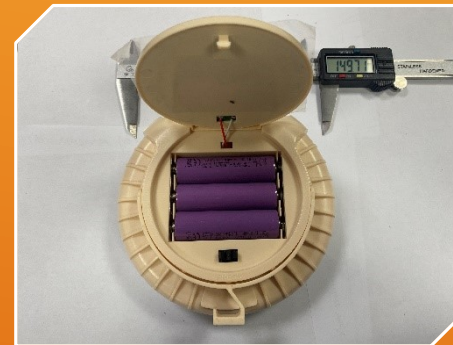

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
15.5*6.0*15.5	IP65	18650x3	Ø88mm
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	360°	30square	20W

Carton packaging size/cm	Carton weight/kg
64.5*32*67.5	28.5kg/40pcs

NEW POWER[®] PRODUCT

Product Name: Solar Rechargeable LED Light

Item Number: XC150

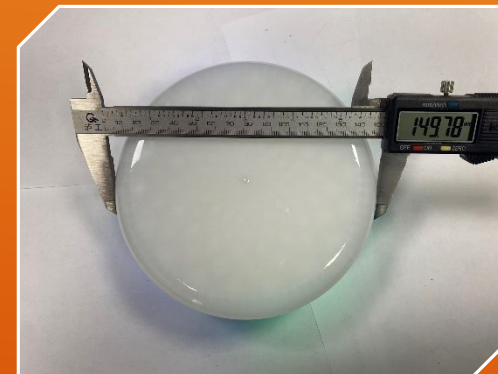

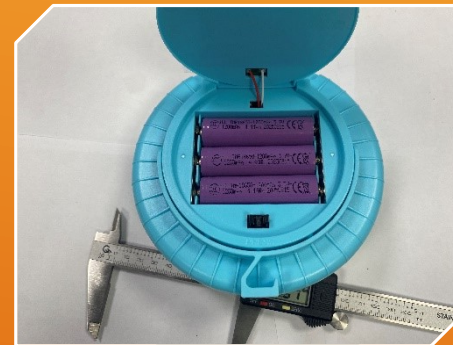

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
15.5*6.5*15.5	IP65	18650x3	Ø88mm
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	360°	30square	20W

Carton packaging size/cm	Carton weight/kg
65*34.5*65.5	34.5kg/40pcs

NEW POWER[®] PRODUCT

Product Name: Solar Rechargeable LED Light

Item Number: C185

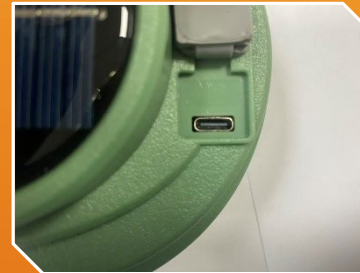

Product Features

This solar USB rechargeable hanging light is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to meet the daily needs of African families. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
19.0*6.5*19.0	IP65	18650x4	Ø88mm
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	360°	50square	36w

Carton packaging size/cm	Carton weight/kg
58*35.5*40	22kg/30pcs

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Headlight

Item Number: H8696/78-A1

Product Features

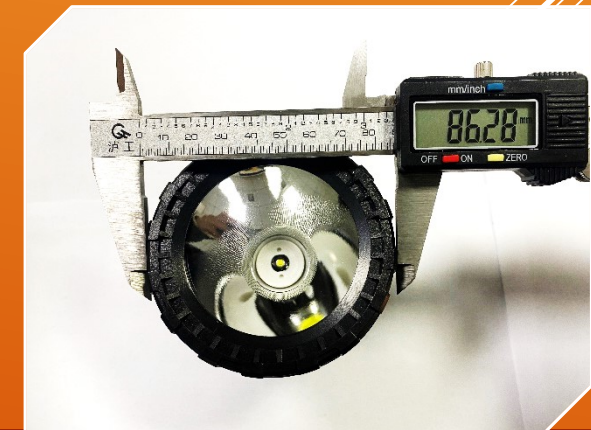

This USB rechargeable LED headlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Workshop, Repair Shop. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
10*10*10	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	72°	50square	20w

Carton packaging size/cm	Carton weight/kg
53.5*44.5*49	22.5kg/100pcs

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Headlight

Item Number: H7792/8072

Product Features

This USB rechargeable LED headlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Workshop, Repair Shop. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
8*8*9.5	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 - 12hours	72°	30square	15w
Carton packaging size/cm		Carton weight/kg	
53.5*44.5*49		18.5kg/100pcs	

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Headlight

Item Number: H5977/8083

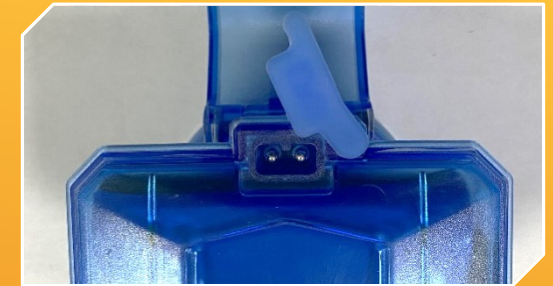

Product Features

This USB rechargeable LED headlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Workshop, Repair Shop. Here are its standout features:

- *3-Level Brightness Adjustment*
- *Wide Lighting Coverage*

- *Direct AC charging *
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
5*5*15	IP65	Lead-Acid Battery,	Not have
Lighting duration	Lighting angle	Lighting area	Power
6 - 8hours	60°	15square	10w

Carton packaging size/cm	Carton weight/kg
46*39*52	20.2Kg/200PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP8901

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Direct AC charging *
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
8*8*22	IP65	Lead-Acid Battery,	Not have
Lighting duration	Lighting angle	Lighting area	Power
6 - 8hours	72°	25square	15w

Carton packaging size/cm	Carton weight/kg
84*37*51	21.5Kg/90PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP9901

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Direct AC charging *
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
8*8*22	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 - 10hours	72°	20square	12w

Carton packaging size/cm	Carton weight/kg
65*33*59	18.1Kg/120PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP9905

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Direct AC charging *
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
9*9*25	IP65	18650x2	Not have
Lighting duration	Lighting angle	Lighting area	Power
8 - 10hours	72°	25square	15w

Carton packaging size/cm	Carton weight/kg
83*39*38	15.7Kg/60PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP5801

Product Features

This USB rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2 luminous objects*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
4*4*10	IP65	14500x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
4-6hours	72°	25square	7w

Carton packaging size/cm	Carton weight/kg
52*32*38.5	12.7kg/200PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP5802

Product Features

This USB rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2 luminous objects*
- *Wide Lighting Coverage*
- *Long-lasting Lighting Duration*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
4*6*10	IP65	18650x1	Not have
Lighting duration	Lighting angle	Lighting area	Power
4-6hours	72°	25square	10w
Carton packaging size/cm		Carton weight/kg	
37.5*31*55		16kg/200PCS	

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP5001

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Direct AC charging*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
5*5*10	IP65	Lead-Acid Battery	Not have
Lighting duration	Lighting angle	Lighting area	Power
6-8hours	72°	25square	10w

Carton packaging size/cm	Carton weight/kg
43*37*53	18.3kg/200PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP5001A

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Direct AC charging*
- *Durable and Shock-resistant Design*

Individual packaging /cm	Waterproof rating	Battery type	Solar panel/cm
5*5*10	IP65	Lead-Acid Battery	Not have
Lighting duration	Lighting angle	Lighting area	Power
6-8hours	72°	25square	10w

Carton packaging size/cm	Carton weight/kg
43*37*53	18.3kg/200PCS

NEW POWER[®] PRODUCT

Product Name: Engineering Plastic LED Flashlight

Item Number: NP5002

Product Features

This rechargeable LED flashlight is an ideal lighting solution tailored for households in areas with unstable power supply, especially designed to Daily Household Use, Outdoor & Adventure. Here are its standout features:

- *2-Level Brightness Adjustment*
- *Wide Lighting Coverage*
- *Direct AC charging*
